# Phishing werkt ook nog altijd

To all employees,

Someone left their headlights on in the parking lot. An employee took [a picture of the car that I've uploaded here](#). Please check to see if this car is yours, as we don't want anyone leaving work today only to find their battery is dead!

Thanks again everyone.

Samantha,

A number of employees have been asked to attend a **mandatory harassment awareness training**. If you have not been asked to attend this training by your supervisor, please use the **attached word document** to confirm that your attendance is not required.

*Best regards,*

# Kwetsbare software

- 2 maart 2021: HAFNIUM / ProxyLogon Kwetsbaarheid in Microsoft Exchange
- Iedereen was te laat met patchen
- AV oplossingen zagen de nieuw geplaatste backdoors niet
- Eye Security klanten met 24/7 cybersecurity monitoring waren beschermd

# Wat kan je zelf doen?

- 2-factor / twee-staps verificatie
- Trainen medewerkers phishing
- Schakel Windows update in
  
- Continuïteit, beschikbaarheid of gevoelige informatie → zoek professionele hulp

# High-Tech Crime
